📍 Nis, Serbia

## EDUCATION

### High School

Electrical Engineering School "Nikola Tesla"

09/2018 - Present

Serbia, Nis

IT

- Information Technology

## PERSONAL PROJECTS

### Personal Website (04/2022 - Present)

- My Personal Website
- [Personal Website](#)

### Space Travel

- Online Web site for Inter-galactical travel company.
- First project with emphasis on JavaScript.

### Savers Bank

- Web Banking service for young people.
- Web-site styled with sass - an CSS preprocessor.

### Fridge Sport

- Book Your gym sessions online.
- Site styled only using tailwind classes instead of normal "boring CSS".

### Burger Town

- Best veggan burger shop in the World!
- My first Front-end Web-site.

### Titan-MOBA

- Online MOBA play-to-earn game.
- Project styled only with plain CSS.

## SKILLS I USE

JavaScript

HTML

CSS

Tailwind

Sass
